Respected Sir,

I am writing this email to ask if it might be possible to access a copy of the lecture slides or notes.

Unfortunately, I was unable to attend yesterday's Java class, so I am writing this email to reach out to you to ask if it might be possible to access a copy of the lecture notes or slides. Additionally, if possible, please let me know if any important announcements, assignments, or updates were shared during the class that I should be familiar with.

I will make sure to cover those materials properly once I receive them, and thank you for your valuable time.

Best regards,

Sarvesh Chowdary Kondepoti
